In order for NCO to carry out its duties under this Agreement with respect to the Services, as of the Effective Date, the initial Special Servicer shall cause the Servicers to provide to NCO (a) consumer file data in the manner and form described in Exhibit A (as amended from time to time by Special Servicer), and (b) view-only access to borrower ASL accounts on the Servicers' systems. Special Servicer represents and warrants that all such Default Charges shall conform to all Requirements of Law. Any breach of the foregoing representation shall be subject of indemnification by Special Servicer under Section 8. NCO shall have no responsibility to attempt to collect any Default Charges, whether or not authorized by the ASL documents, except as instructed by Special Servicer.

(b) Collection and Credit Reporting Services.

(i) NCO will use all reasonable and lawful efforts to collect the full amount due on all accounts placed with it by Special Servicer for collection. Special Servicer may place with NCO various First, Second and Third Placements, as defined in Exhibit D attached hereto and incorporated herein. The full amount due on each account will consist of principal; accrued interest; late fees, if any; and any collection costs and attorneys' fees awarded by a court of competent jurisdiction pursuant to a final judgment and recoverable under the terms of the loan agreement, as well as extrajudicial collection costs recoverable under applicable law. NCO will keep full and accurate records of all borrower Contacts and other collection activity. NCO may negotiate and revise any borrower's repayment schedule in any manner approved in writing by an authorized representative or agent of Special Servicer. (c) Source and Timing of Fee Payments. Notwithstanding the fee provisions set forth in Article III, fees due NCO for Default Collection Services, including costs and expenses related to litigation, will be paid on a loan-by-loan basis out of funds held in the Account (as defined in Section 2.6). Fees will be billed weekly and NCO may withdraw billed fees from the Account at such time (i.e., weekly) as it forwards the Account balances to Special Servicer.

2.4 Litigation Management. As part of the Default Collection Services, NCO shall administer collection litigation as described in this section and in Exhibit D attached hereto. Special Servicer may also from time to time designate loans as to which assessment and recovery of collection costs from the borrower in an extrajudicial context are allowed by applicable law, by way of contract or otherwise. NCO will use all reasonable and lawful efforts to collect such collection costs as directed by Special Servicer.

NCO may, with Special Servicer's prior written approval, forward accounts for litigation to an attorney licensed to practice law in the applicable jurisdiction and acceptable to Special Servicer. NCO will handle all routine communication with the attorney on Special Servicer's behalf and will be responsible for monitoring the attorney's performance in litigating the case, collecting on the accounts pre-judgment and collecting on any judgment or settlement. Except in the case where there is no media availability, any decision regarding settlement, dismissal of the action, or the removal of an attorney will require Special Servicer's written consent. Special Servicer recognizes that back up media, sworn statements of account, affidavits and other documentation may be required to pursue legal treatment on accounts placed with NCO. In the event that documentation is required, Special Servicer will comply with NCO's request for media and follow request procedures as agreed upon in work standards. If Special Servicer can not comply with media or documentation requests within a fourteen (14) day period, NCO reserves the right to dismiss any legal action, with our without prejudice and close and return the account back to Special Servicer. In the event that lack of media or documentation results in liability for NCO or Special Servicer, Special Servicer bears the burden of indemnification. At all times, Special Servicer and not NCO will be the client of the collection attorney. Special Servicer agrees promptly to provide all available documentation, written testimony, witnesses and other reasonably necessary materials and assistance requested by NCO in support of such litigation.

(a) NCO shall be responsible for selecting and directly supervising collection attorneys. NCO will submit lists of collection attorneys used by NCO to Special Servicer, and Special Servicer may, at any time, prohibit the submission of new litigation files to an attorney on its behalf.

(b) All collection attorneys shall be paid by NCO and Special Servicer shall have no obligation to pay such attorneys.

(c) NCO will provide evidentiary support for collection attorneys, including basic factual orientation, copies of documents, records of account balances, affidavits and testimony, as reasonably required. Special Servicer will instruct Servicers to provide original documents to NCO upon request from NCO. For this purpose, Special Servicer on behalf of the Trusts hereby appoints NCO as keeper of the applicable Trust's records of all ASLs that are the subject of NCO administration.

(d) NCO shall supervise the progress of collection litigation and review the progress of their assigned litigation quarterly. Such review shall include the establishment and prosecution of appropriate post-judgment enforcement, to the extent lawful.

(e) NCO may compromise ASL claims in exchange for immediate payment of not less than ninety percent (90%) of all outstanding principal, interest and other amounts due to Special Servicer. Additional settlement authority given to NCO, if any, is described in Exhibit F, attached hereto. Special Servicer agrees to designate a business contact with authority to review and approve collection settlement proposals with NCO.

(f) NCO shall promptly transmit to Special Servicer any pleadings or other documents it receives relating to counterclaims naming Special Servicer or any Trust in collection litigation. Upon request, NCO shall assist Special Servicer with respect to management of counterclaims naming Special Servicer or any Trust as a party, including management of local counsel in consultation with Special Servicer.

(g) All court costs and related expenses, including hourly billing charges, incurred in connection with a legal proceeding shall be paid as set forth in Section 2.3(c). For audit and reconciliation purposes, NCO shall itemize costs for each borrower and the amount and purpose of each expense. Special Servicer will not advance the pre-payment of such costs, and will only reimburse costs that have actually been incurred. The attorney must receive Special Servicer's or NCO's prior written approval before incurring any expense (other than a filing fee, process server fee, or other court cost) in excess of \$500.

2.5 Special Accounts.

(a) In the event any debtor with respect to any ASL that is the subject of Services becomes a debtor under the U.S. Bankruptcy Code, NCO shall immediately cease all Services and submit the file to Special Servicer unless Special Servicer otherwise directs in writing.

Special Servicer undertakes that it will not send to NCO accounts for collection on any indebtedness that it has reason to believe are subject to any bankruptcy proceeding and that it will indemnify and hold harmless NCO from any and all claims and legal actions asserted against NCO, and all money damages and legal costs incurred by NCO, to the extent that the same result solely from Special Servicer's failure to observe such requirement.

(b) In the event any debtor with respect to any ASL that is the subject of Services is deceased, NCO may accept from the Servicers the documentation specified under "Death Claim" under the Servicing Guidelines and may collect the ASL.

2.6 Special Servicer Funds Account. NCO will credit all funds received from debtors into an FDIC-insured trust fund account (the "Account") for Special Servicer in trust for the benefit of each Trust, which will segregate said funds from NCO's own funds and from the funds of all other NCO clients. Any interest earned on the Account will be forwarded to Special Servicer twice annually at a time Special Servicer directs, or upon reasonable notice by Special Servicer. For purposes of this Agreement and except as set forth in this Agreement, the funds in the Account will be the sole property of Special Servicer in trust for each Trust, and NCO will have no right to pay such funds to any person other than Special Servicer except as specifically authorized in this Agreement. NCO will remit to Special Servicer on a weekly basis on a specified day of every week (or at different periodic intervals chosen by Special Servicer), by

wire transfer to a Special Servicer-designated account, all funds in the Account representing payments received by NCO for the previous week (or alternative periodic interval chosen by Special Servicer), except fees owed to NCO for Default Collection Services (which shall be payable to NCO as set forth in Section 2.3(c)). NCO will submit a report with such wire, described more fully in Exhibit E attached hereto. Special Servicer will promptly notify NCO of any payment that Special Servicer receives directly from a debtor whose account has been assigned to NCO, and will promptly remit to NCO the fee due to NCO with respect to such payment.

This Agreement has been duly executed and delivered by NCO and is a legal, valid and binding obligation of NCO, enforceable against it in accordance with its terms, except as the enforcement thereof may be limited by applicable bankruptcy, insolvency, rearrangement, reorganization or similar debtor relief legislation affecting the rights of creditors generally from time to time in effect and by general principles of equity (regardless of whether such enforcement is sought in a proceeding at law or in equity) and the discretion of the court before which any proceeding therefor may be brought.

(c) Absence of Conflicts. Neither the execution and delivery of this Agreement by NCO nor the performance by NCO of its obligations hereunder will result in (i) a violation of the articles of incorporation or charter documents of NCO, (ii) a breach of, or a default under any contract, agreement, instrument, lease, commitment, franchise, license, permit or authorization to which NCO is a party or by which it or its assets are bound, which breach or default would have a material adverse effect on its business or financial condition or its ability to consummate the transactions contemplated hereby, or (iii) a violation by NCO of any Requirements of Law, which violation would have a material adverse effect on NCO's business or financial condition or its ability to consummate the transactions contemplated hereby.

(d) Consents and Approvals. NCO has obtained any and all consents, approvals or authorizations of, and made any and all declarations, filings or registrations with, any Governmental Authority, or any other person, required to be obtained or made by NCO in order to execute, deliver and perform its obligations under this Agreement or consummate the transactions contemplated hereby, except where the failure to do so would not have a material adverse effect on its business or financial condition or its ability to consummate the transactions contemplated hereby.

(e) Litigation. There is no action, order, writ, injunction, judgment or decree outstanding or claim, suit, litigation, proceeding, labor dispute, arbitral action or investigation pending, or to the actual knowledge of NCO threatened, against or relating to NCO that would likely have a material adverse effect on this Agreement or on NCO's ability to consummate the transactions contemplated hereby.

(f) Best Efforts. NCO will utilize its best efforts and competence in rendering services and in performing its duties hereunder and shall not use any method prohibited by

federal, state or local laws, regulations or procedures, including but not limited to any applicable consumer protection or bankruptcy laws, regulations or procedures in collecting the account balances. . NCO will promptly give oral and written notice to Special Servicer of any federal, state or local administrative or court proceeding affecting NCO or any of its officers, agents, servants or employees in the collection of Special Servicer's accounts.

(g) Legal Proceedings. In the event of any lawsuit in which counterclaims are interposed by a debtor, or where a debtor shall make any other claim against Special Servicer or any Trusts, the same shall be immediately referred by NCO to Special Servicer and Special Servicer shall have the right to intercede and defend such action. No criminal proceedings, real property executions, bailable attachments, commitment orders or other enforcement proceedings, except for the issuance of a subpoena to examine the debtor and restraining notices, shall be instituted by NCO without prior written approval of Special Servicer.

(b) No later than thirty (30) days prior to the commencement of any review, inspection or audit, Special Servicer shall provide to NCO written notice of its intent to perform a review, inspection or audit, which notice shall include in reasonable detail the scope thereof and the supporting documentation to be requested. Within fifteen (15) days of receipt of any such notice, NCO shall notify Special Servicer, in writing of any objections to the scope of the review, inspection or audit or the supporting documentation requested, it being understood that any objections of NCO must be based upon a reasonable and documented belief that such review, inspection, audit or documentation is not reasonably related to NCO's obligations under this Agreement or would require the disclosure of proprietary information (other than information that is proprietary solely as a result of this Agreement). Special Servicer and NCO shall cooperate in good faith to resolve objections with respect to any review, inspection or audit proposed by Special Servicer and such review, inspection or audit shall not commence until such objections are resolved. In the event the parties are not able to resolve such objections, the matter shall be resolved in accordance with the procedures set forth in Section 11.2.

(c) Any review, inspection or audit to be performed by Special Servicer pursuant to this Section 6.2 shall be conducted only during normal business hours and with reasonable advance notice, using reasonable care not to cause damage and not to interrupt the normal business operations of NCO.

(d) NCO will engage, at its sole expense, an unrelated American Institute of Certified Public Accountants ("AICPA") certified public accounting firm acceptable to Special Servicer to conduct reviews of NCO's general controls and practices associated with NCO's facilities and Subservicers facilities engaged in providing Services, as well as the controls associated with the services and the programs used to provide Services. The scope of the audit shall include all such matters as NCO's auditor deems necessary or required to meet regulatory compliance standards, including but not limited to an examination of the record keeping system and other equipment and software used by NCO. Such reviews shall be performed at such frequency and times as NCO shall determine, but shall be performed at least once annually. Within thirty (30) days of its receipt by NCO, NCO shall provide Special Servicer with a copy of each report and the related working papers submitted by NCO's independent accountants regarding any of the matters set forth in this paragraph. All such reviews shall comply with

AICPA SAS-70 standards or equivalent thereof, and the reports obtained shall be of the type generally referred to (depending on the publication) as either type "2" or "B", and shall include an unqualified opinion on the operating effectiveness of NCO's controls. All such reviews shall also comply with Security Standards Certification ISO 17799/BS7799 or equivalent thereof. If a SAS 70 or equivalent audit reveals that the services provided by NCO do not cause NCO's operations to meet the auditor's recommendation, then NCO shall promptly provide such further services as are necessary to bring its operations into conformance with the auditor's recommendations to such level and degree, at no cost to Special Servicer.

6.3 Regulatory Agency Requirements.

(a) NCO understands and acknowledges that Special Servicer may be subject to examination by any federal, state or local governmental or quasi-governmental officials with regulatory authority over Special Servicer and its affiliates. NCO agrees to cooperate fully with any examination or inquiry by any such officials or other regulatory body or agency. NCO further acknowledges that Special Servicer, as a regulated financial institution, is required to engage in ongoing oversight of its relationship with NCO, including, but not limited to, reviewing NCO's compliance with privacy laws and regulations, insurance coverage, and performance under this Agreement. NCO agrees to notify Special Servicer promptly in writing in the event it experiences any material adverse change, including but not limited to, material financial difficulty, other catastrophic event, material change in strategic goals, or significant staffing changes relative to its obligations under this Agreement.

(b) Within thirty (30) days of its receipt, to the extent NCO is permitted to do so, NCO shall provide Special Servicer with a copy of the results of any audit performed by a federal, state or local regulator, but only to the extent such audit relates to compliance by NCO with applicable law and to the Services performed by NCO for Special Servicer hereunder. If such audit reveals that the Services provided by NCO do not cause NCO's operations to meet the auditor's recommendation, then NCO shall provide such further Services as are necessary to bring its operations into conformance with the auditor's recommendations to such level and degree, at no cost to Special Servicer.

ARTICLE VII - CONFIDENTIALITY

7.1 Confidentiality. NCO acknowledges and agrees that all information provided to NCO by Special Servicer is considered confidential or proprietary and is provided to NCO solely to enable NCO to perform the Services and related functions set forth in Article II of this Agreement. For purposes of this Agreement, "Confidential Information" of Special Servicer means all confidential or proprietary information and documentation and data (whether technical, commercial or other in nature) of such party, whether or not marked as such and/or whether now in existence or hereafter created including, without limitation all Borrower Data and any other Trust data. For purposes of this Agreement, "Borrower Data" means any and all data and information of any kind or nature provided to NCO by or on behalf of Special Servicer or arising out of or in connection with this Agreement with respect or relating in any way to borrowers individually or in the aggregate. NCO shall hold the Confidential Information of Special Servicer in confidence and shall not disclose nor use such Confidential Information other than for the purposes contemplated by this Agreement without prior written consent of Special Servicer. Notwithstanding any provision in this Agreement to the contrary, NCO shall limit the use and circulation of such information, even within its own organization, solely to the extent

necessary to perform its obligations under this Agreement. Confidential Information shall not include information that: (i) has been disclosed in the public domain prior to the date hereof; (ii) becomes, through no fault nor action of either party, hereafter disclosed in the public domain; (iii) is now or comes into the possession of NCO without any obligation of confidentiality. Special Servicer acknowledges that NCO and/or its affiliates may have legitimately obtained Borrower Data through prior relationships and that such data is held under restrictions arising out of such relationships and not under this Agreement. In addition, the substance of the negotiations of this Agreement and the terms of this Agreement are Confidential Information subject to the restrictions contained in this Agreement. NCO shall not be considered to have breached its obligation by disclosing Confidential Information of the Special Servicer in response to the order of any competent court or governmental agency; provided, however, that upon receipt of such order, NCO shall promptly provide to the Special Servicer notice of such request to enable the Special Servicer to seek an appropriate protection order or take other action to assure the confidential handling of the Confidential Information. All such Confidential Information shall remain the exclusive property of Special Servicer.

7.2 Restricted Use. NCO agrees not to utilize any Confidential Information, unless it is necessary to do so in order to fulfill an obligation under this Agreement. NCO also agrees that it will not sell, disclose, transfer, or rent any Confidential Information to any third party nor will it use any Confidential Information on behalf of any third party, without the express written permission of Special Servicer. NCO shall provide all notices and perform all other activities required of it to comply with the Gramm-Leach-Bliley Act and regulations promulgated thereunder and any other applicable federal, state and local privacy laws in connection with the Confidential Information received in connection with this Agreement.

7.3 Injunctive Relief. NCO acknowledges that money damages may be both incalculable and an insufficient remedy for any breach of this provision by NCO and that any such breach may cause Special Servicer, the Trusts and others irreparable harm. Accordingly, NCO agrees that in the event of any breach of this Article VII, Special Servicer or any Trust, in addition to any other remedies at law or in equity that it may have, shall be entitled without requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance without proof of actual damages.

7.4 Information Protection and Security.

(a) NCO may receive or otherwise have access to Borrower Data in connection with providing Services to Special Servicer pursuant to the terms of the Agreement. NCO shall implement and maintain an appropriate security program for Borrower Data designed to meet the following Objectives (defined below) of the Interagency Guidelines Establishing Standards for Safeguarding Customer Information pursuant to the authority of Section 501(b) of the Gramm-Leach-Bliley Act of 1999. "Objectives" means a program designed to (i) ensure the security and confidentiality of Borrower Data; (ii) protect against any anticipated threats or hazards to the security or integrity to Borrower Data, and (iii) protect against unauthorized access to or use of Borrower Data that could result in substantial harm or inconvenience to any Special Servicer or any borrower. NCO shall provide Special Servicer on or prior to the Effective Date and thereafter, upon request, with a copy of its Information Security and Assurance Policy and any updates or amendments thereto. NCO agrees that upon reasonable notice and at NCO's convenience, Special Servicer or any agent or representative thereof may come to NCO's place of business and review the specifics of NCO's security plan with NCO. It is understood and

agreed that NCO shall not be required to have a security program in place that implements every security measure listed in each paragraph of Section III C of Appendix A to 12 CFR § 30 provided that NCO's security program is appropriate to address the level of risk and otherwise meets the Objectives. Special Servicer, its internal and external auditors and regulatory agencies ("Auditors") shall be permitted, during normal business hours, to audit NCO's security program upon provision of reasonable prior notice and provision of an agenda for the audit requirements. NCO shall be subject to said audits as long as NCO continues to maintain, store or have access to Borrower Data.

(b) NCO presently maintains and agrees it will continue to maintain appropriate physical, electronic, procedural and technical safeguards to protect all Borrower Data from unauthorized disclosure, misuse, alteration, destruction or other compromise that are consistent with appropriate industry practices and no less stringent than those used to protect the Confidential Information of NCO.

(c) As part of its information security program, NCO shall take appropriate measures to properly dispose of Borrower Data. These measures will include, at a minimum:

- i. Burning, pulverizing or shredding of papers containing Borrower Data so that the Borrower Data cannot practicably be read or reconstructed;
- ii. Ensuring the destruction or erasure of electronic media containing Borrower Data so that the Borrower Data cannot practicably be read or reconstructed; and/or
- iii. Ensuring that any third party who performs the activities described in (i) and (ii) on behalf of NCO above does so in a manner consistent with this Section.

(d) NCO shall ensure that it does not retain Confidential Information of Special Servicer for longer than it needs such information to perform its obligations hereunder. NCO's disposal policy shall require that such information is reviewed and destroyed on a routine basis consistent with NCO's disposal policy. NCO shall, upon the reasonable request of Special Servicer, provide to Special Servicer the certificate of destruction as prescribed by Special Servicer. It is understood that information sent in an intangible or electronic format cannot be removed, erased or otherwise deleted from archival systems (also known as "computer or system back-ups") but that such information will continue to be protected under the confidentiality requirements contained in this Agreement for as long as such information remains accessible and/or vulnerable to unauthorized access use or disclosure. Notwithstanding anything to the contrary contained herein, NCO may retain an archival copy of any document for its permanent records to the extent required by applicable law or regulation of NCO's document retention policy. The rights and obligations of the parties under this Agreement will survive any return or destruction of Confidential Information.

(e) NCO shall have in place and follow a routine destruction policy for all Confidential Information of Special Servicer (whether in electronic, paper or other form) related to NCO's performance under this Agreement. No such materials will be retained longer than such period as is set forth in NCO's policy period for retention unless mandated under this Agreement or by applicable law.

7.5 Security Breach. In the event NCO knows or reasonably believes that there has been any unauthorized acquisition of or access to data that compromises the security, confidentiality, or integrity of Borrower Data maintained by or for NCO (a "Breach"), NCO shall take the following actions:

- (a) Notify Special Servicer of such breach as soon as practicable;
- (b) Identify to Special Servicer, at no cost to Special Servicer, what specific Borrower Data, by borrower and/or account number has or may have been breached;
- (c) Monitor, or cause to be monitored at NCO's sole expense, any affected accounts for any unusual activity for a period of 12 months from the discovery of the breach;
- (d) Take such commercially reasonable measures, at the sole cost of NCO, as may be requested by the Special Servicer to contain and control the incident to prevent further unauthorized access;
- (e) Remedy the circumstances that permitted such breach to occur; and
- (f) Cooperate with Special Servicer as necessary to facilitate Special Servicer's compliance with any applicable Federal or state law regarding unauthorized access of Borrower Data.

In addition to and not by way of limitation of any and all damages for which NCO is or may become obligated under this Agreement to pay to owner (i.e., the applicable Trust), NCO shall fully reimburse Special Servicer for the actual costs of mailing notices to individuals whose data has or may have been breached, to the extent such breach is the result of NCO's breach of this Agreement, NCO's failure to conform to applicable law, or NCO's negligence.

The obligations contained in this Section 7.5 shall survive the termination of this Agreement.

ARTICLE VIII - INDEMNIFICATION AND EXCLUSION

8.1 Indemnity.

(a) NCO shall defend, indemnify and hold harmless Special Servicer and the applicable Trust, or any affiliate or subsidiary of Special Servicer or any Trust (each an "Special Servicer Indemnified Party") from and against any and all damages arising out of or resulting from third party claims relating to (i) the breach of any representation or warranty, covenant or agreement of NCO contained in this Agreement; (ii) any inaccurate information or inaccurate materials provided by NCO to Special Servicer in connection with providing the Services. In addition, NCO shall reimburse Special Servicer for all costs incurred by Special Servicer resulting from third party investigation of the acts and practices of NCO, including expenses related to compliance with any third party subpoena or with any other discovery proceeding, if such investigation is due to the negligent act of NCO or breach of this Agreement by NCO.

(b) NCO shall defend, indemnify and hold harmless each Special Servicer Indemnified Party from and against all damages arising out of or resulting from any action by a third party against such Special Servicer Indemnified Party that is based on any claim that any

(c) Special Servicer shall defend, indemnify and hold harmless NCO or any affiliate or subsidiary of NCO (each a "NCO Indemnified Party") from and against all damages arising out of or resulting from any action by a third party against such NCO Indemnified Party that is based on any claim resulting from (i) the breach of any representation or warranty, covenant or agreement of Special Servicer contained in this Agreement; (ii) any information or materials provided by Special Servicer to NCO for use in providing the Services; or (iii) the nature or use of Special Servicer's products or services. In addition, Special Servicer shall reimburse NCO for all costs incurred by NCO resulting from third party investigation of the acts and practices of Special Servicer, its subsidiaries and affiliates, including expenses related to compliance with any third party subpoena or with any other discovery proceeding.

(d) An indemnified party which intends to claim indemnification under Section 8.1 shall promptly notify the indemnitor in writing of any action, claim or liability with respect to which the indemnified party intends to claim such indemnification. The indemnified party shall permit the indemnitor, at its discretion, to settle any such action, claim or liability and agrees to the control of such defense or settlement by the indemnitor; provided, however, such settlement does not adversely affect the indemnified party's rights hereunder or impose any obligations on the indemnified party in addition to those set forth herein in order for it to exercise such rights. No such action, claim or liability shall be settled without the prior written consent of the indemnitor and the indemnitor shall not be responsible for any attorneys' fees or other costs incurred other than as provided herein. The indemnified party shall cooperate fully with the indemnitor and its legal representatives in the investigation and defense of any action, claim or liability covered by this indemnification. The indemnified party shall have the right, but not the obligation, to be represented by counsel of its selection and expense

(e) This provision shall not be construed to limit the rights, obligations, liabilities, claims or defenses of either party or any indemnified party which arise as a matter of law or pursuant to any other provision of this Agreement.

8.2 Exclusions from Liability.

(a) Except as provided in this Article VIII, in no event shall NCO or Special Servicer be liable for consequential, incidental, punitive, special, or indirect damages.

(b) Except as otherwise provided herein, neither party's liability hereunder shall exceed an amount equal to the service fees payable by Special Servicer to NCO in the month immediately preceding the claim to which such liability relates, multiplied by twelve (12).

(c) The limitation of liability provisions of subsections 8.2(a) and 8.2(b) do not apply to liability that is the result of either party's breach of (i) the confidentiality, privacy, or security obligations or provisions contained in this Agreement or (ii) such party's indemnification obligations.

(d) The limitation of liability provisions of subsections 8.2(a) and 8.2(b) also do not apply to any third party claim against an indemnified party arising out of the indemnifying party's failure to comply with the terms and conditions of this Agreement, if such claim results in such indemnified party being liable for consequential, incidental, special or indirect damages

to such third party. Such damages will be considered to be direct damages incurred by the indemnified party.

The obligations set forth in this Article VIII shall survive termination or expiration of this Agreement.

ARTICLE IX - TERM AND TERMINATION

ARTICLE X - DISASTER RECOVERY AND BUSINESS CONTINUITY

10.1 NCO shall maintain and shall test at least once annually plans to continue business in the event of an interruption to its business or unavailability of any site from which Services are being performed (the "Disaster Recovery/Business Continuity Plans"). NCO agrees to maintain viable Disaster Recovery/Business Continuity Plans for the Services which includes, among other things, provision for the remote storage of computer software and data, the availability of a location for off-site computer services and procedures covering all of NCO's facilities used in connection with the Services in order to insure continuance of Services in the event of a disaster affecting any such NCO facility and storage of a complete system image tape of both object code and source code for software at an off-site storage location designated by NCO and disclosed to Special Servicer. In the event of a natural or other disaster beyond NCO's control that interrupts NCO's performance of any such Services for any period, NCO shall promptly respond to such disaster in accordance with the procedures contained in the Disaster Recovery/Business Continuity Plans in order to resume performance of such Services.

10.2 NCO shall annually test its Disaster Recovery/Business Continuity Plans and shall update in a timely manner such Disaster Recovery/Business Continuity Plans. NCO shall provide Special Servicer with a summary report of the results of such testing annually. If Special Servicer requests, it shall be permitted to participate in NCO's testing of its Disaster Recovery/Business Continuity Plans to the extent such test relates to Services provided to Special Servicer.

10.3 Prior to execution of this Agreement, NCO shall provide a copy of its Disaster Recovery/Business Continuity Plans to Special Servicer (including in electronic form). Any material changes to NCO's Disaster Recovery/Business Continuity Plans will be subject to Special Servicer's prior written consent which shall not be unreasonably withheld and will conform to reasonable commercial and industry standards for such plans. Special Servicer, or its designated representative, shall be entitled to review such Disaster Recovery/Business Continuity Plans annually during the term of this Agreement at NCO's corporate headquarters.

10.4 Notwithstanding any provision in this Agreement to the contrary, NCO's Disaster Recovery/Business Continuity Plans required under this Agreement must meet Special Servicer's Recovery Time Objective ("RTO") and Recovery Point Objective ("RPO") for the business function being serviced, as defined below, unless events or circumstances beyond NCO's control prevent NCO from implementing its Disaster Recovery/Business Continuity Plans:

Services will be available within a forty-eight (48) hour period following any outage/incident (RTO = 48 hours), with at least 99.99% preservation of data (RPO = 99.99) through the close of business on the day preceding the outage/incident.

10.5 NCO shall, as soon as practicable, notify Special Servicer of any interruption to NCO's business or unavailability of any site from which Services are being performed. Early Awareness Services

1. NCO shall develop and carry out a "Borrower Repayment Education And Counseling" program for borrowers about to enter repayment. NCO shall use its "propensity to pay" model that for prioritizing and segmenting accounts and will perform early awareness service for accounts within the bottom 50% of propensity to pay scores. The specific objective of this program is to educate borrowers of upcoming payment requirements and advise borrowers, if authorized under the circumstances, of the existence of deferment, forbearance and modified graduated repayments ("MGRS") alternatives under applicable Program Guidelines, to reduce the number and percentage of borrowers becoming subsequently delinquent in the repayment process.
2. At the beginning of the program, NCO shall receive from Special Servicer an estimated monthly volume of 5,000 to 7,000 borrower accounts (approximately 40% of borrowers entering repayment) that are 30-45 days prior to entering repayment. Variances of plus/minus 10 percent of the estimated monthly volume will be considered as within the target range of accounts to be placed. If mutually agreed by Special Servicer and NCO, Special Servicer may elect to send additional monthly placement volume to be worked by NCO.
3. It is estimated that 70% of the borrower accounts will have cosigners.
4. The "work period" shall be 30 days from date of placement.
5. NCO and Special Servicer will work cooperatively with the Trusts' primary servicer, American Education Services ("AES"), to establish whether NCO will contact borrowers "as NCO," "on behalf of the owner of your loan" or "on behalf of AES," or such other designation as the parties may agree the distinction being a function of the nature of the relationship established, which is not under the control of either Special Servicer or NCO. NCO will not hold itself out "as" AES.
6. On accounts with cosigners, NCO will Attempt to contact both the primary borrower and cosigner.
7. NCO shall initially conduct this program in its NCO facility, which offers low domestic U.S. labor costs, and thus advantages this project.
8. NCO may at its sole discretion decide to expand or move this program to another NCO facility. Such a move shall not have an impact on the fees paid to NCO by or the service hereunder provided to or on behalf of Special Servicer pursuant to this Agreement.
9. Upon receiving and loading each monthly placement from Special Servicer, NCO shall use the following contact methodology ("waterfall approach") in an effort to maximize the contact rate of the Trusts' borrowers:

a. Send an email to all borrowers and cosigners for whom NCO has received an email address on the placement file. The content of the email, to be jointly developed by Special Servicer and NCO, will be approximately as follows:

i. Congratulate borrowers (or cosigners on behalf of the borrowers) on graduating and presumed entrance / re-entrance into working world.

ii. Alert borrowers that they will be contacted shortly to discuss the upcoming repayment status.

iii. Encourage borrower in the meanwhile to call in to NCO's inbound 800 number set up specifically for this program to speak with a loan counselor standing by with important information.

b. Immediately begin calling campaigns:

i. NCO loan counselors will Attempt to contact all borrowers on the Special Servicer data file for whom NCO has received "good" contact information. NCO loan counselors will skip-trace all "bad" numbers. Where good number(s) are subsequently obtained, NCO will update Special Servicer (and/or AES) records.

ii. NCO shall make several Attempts to contact each borrower using the telephone numbers provided by Special Servicer over the first ten business days at different times of day (if directed by Special Servicer). Periodically, depending on the number of borrowers remaining to be contacted, NCO may conduct outbound calling efforts on Saturdays, as appropriate.

iii. If a borrower is contacted and a counseling session is conducted there may be no need to send a letter (see "Letter Campaigns"), although a follow-up email with appropriate Special Servicer collateral material may be desirable.

iv. If a borrower is not contacted, then NCO may send a letter (see "Letter Campaigns") with similar information to the email.

v. NCO loan counselors will continue attempting to contact the borrower throughout the work period (using best contact methodology—i.e. varying times, days of week—including, as noted above, Saturdays—etc.)

c. Letter campaigns

i. In an effort to measure the effectiveness of various letter campaigns, at Special Servicer's direction NCO will split the monthly account placements into two groups and apply a different letter strategy to each. At any time Special Servicer can direct NCO to change the percentage of accounts going to either group or to stop the multiple strategy approach entirely and apply only one strategy to all accounts.

1. Group 1: NCO will mail letters to all borrowers in Group 1 immediately upon receipt of the account placement.

2. Group 2: NCO will mail letters to all borrowers in Group 2 who have not yet been contacted after an initial attempt period of 10 business days.

All mailings will have an address correction request included and, where change of address is noted, Special Servicer files will be updated.

10. NCO Hours of Operation

a. NCO will set hours of operation to give the best opportunity to optimize contact rate of the Trusts' borrowers and to be consistent with and fully compliant with all requirements of law and regulation.

11. Prior to initiating any contact with borrowers, NCO will work in conjunction with Special Servicer to develop appropriate scripting for phone contacts, with such scripting reflecting the brand look and feel that Special Servicer wishes to convey. This scripting will be articulated in the Statement of Work Amendment, separate from this Agreement and will incorporate among other aspects, the circumstances under which NCO shall be authorized to advise borrowers of the existence of deferment, forbearance and MGRS alternatives under applicable Program Guidelines.

NCO anticipates that the call will be conducted in approximately the following manner:

- a. Validate that we are speaking with the right party.
- b. Introduce ourselves as a loan counselor calling from NCO (or on behalf of) AES in reference to their private student loans held by the Trusts. Special Servicer will provide the loan holder information to NCO so NCO can use this information in the scripting.
- c. Explain the purpose of the call is to remind borrower of upcoming repayment requirements and to gauge borrower's preparedness and intent to meet upcoming requirements.
- d. Receive payment commitment from borrowers.
- e. Attempt to set borrower up on automatic debit program.
 - i. If allowed by AES, NCO will use web-based technology to enable the borrower complete and electronically sign an automatic debit form.
 - ii. If a web-enabled process is not allowed by AES, NCO will either email the borrower the appropriate form or direct the borrower to AES's web site www.asessuccess.org where the form is available online. The borrower will then be required to print, sign and return the form either to NCO to be forwarded on to AES or to AES directly.

f. Ask several brief probing questions that will capture important borrower information to be used when constructing the post-pilot full-scale implementation program.

12. The following steps will be included in the Borrower Repayment Education And Counseling Program:

NCO will document "results codes" to track key data. In addition to tracking contacts, commitments and other operational metrics, NCO will be able to quantify (and subsequently analyze) responses to key qualitative questions.

Sample of potential questions:

- Is borrower prepared to meet repayment requirements?
- Is borrower already employed?
- What is starting income?
- Does borrower have concerns over upcoming repayment requirements?
- What are concerns? (no job, not enough income, percent of disposable income going to debt service, etc.)
- Does borrower have other private loans? (dollar ranges, lenders) Probe for future private loan consolidation opportunities. (In the aggregate, NCO will be able to perform analysis for Special Servicer showing borrowers according to balances held by a listing of other lenders—this is important information for assessing potential risk of prepayment through third-party consolidation of Trust loans).
- Status of FFELP loans and repayment plans

13. NCO shall develop and submit to Special Servicer, frequency to be determined in consultation with Special Servicer, management reports with key program performance indicators.

14. NCO and Special Servicer will conduct meetings every, frequency to be determined in consultation with Special Servicer, to review the management reports and have a qualitative discussion about the program.

15. NCO will supply its proprietary contact system and all necessary supporting inbound and outbound telephony, data networking, email, and secure web-based applications required to support the program, activities, and reporting described herein. All NCO technology used in the program shall be provided at no additional cost. All technology and related systems and applications may be audited by Special Servicer at any time during regular business hours.

Fees

Early Awareness:

For loans that are referred to the Early Awareness vendor for pre-call and letters and ACH enrollment 60 days prior to 1st payment due date:

\$20 per borrower Contact and \$0.51 (fifty-one cents) per letter sent, which may be adjusted for increases implemented by the United States Postal Service, cent for cent.

Default Prevention:

For loans that roll at 31 days from servicer to NCO Default Prevention Collectors and to be managed up until 180 days past due or lender mandated charge off date, including loans in Claims Review:

\$4600 per seat (\$4600 per seat fee shall be increased by 3% each year on the anniversary of the Effective Date without further action by the parties) and \$0.51 (fifty-one cents) per letter sent, which may be adjusted for increases implemented by the United States Postal Service, cent for cent.

The per seat default prevention fee above shall be subject to an annual incentive payment, calculated as follows:

For each 30-day delinquency period (i.e., 31-60, 61-90, etc.), the percentage of loans that were in one delinquency period and progressed from that period to the next delinquency period (the "flow rate") shall be calculated for each of the three prior 12-month intervals. The baseline flow rate for each delinquency period for each 12-month interval shall be: $(0.70 \times \text{the flow rate for the immediately preceding 12 months}) + (0.15 \times \text{the flow rate for each of the prior two 12-month intervals})$.

For each delinquency period in the 12 months under consideration for incentive payment:

- (a) if the flow rate is more than 2.0% less than the baseline flow rate (e.g., less than 18% on a baseline flow rate of 20%), then an incentive of 12% shall be paid for each seat dedicated to default prevention in that delinquency period;
- (b) if the flow rate is equal to or less than the baseline flow rate, but more than 2.0% less than the baseline flow rate (e.g., equal to or more than 18% and less than 20% on a baseline flow rate of 20%), then an incentive of 6% shall be paid for each seat dedicated to default prevention in that delinquency period; and
- (c) if the flow rate is greater than the baseline flow rate, no incentive shall be paid.

For purposes of the above incentive calculations, flow rates shall be rounded to the nearest whole number (i.e., rounded down for 0-4 tenths of a percentage and rounded up for 5-9 tenths of a percentage).

Post Default Collections (including probate recoveries):

NCO to utilize Default Collectors for all of post default collections prior to litigation

25% (30% for recalled defaulted accounts recalled from other agencies following the Effective Date)

Initial Staffing Ratios

- The number of FTEs dedicated by NCO for this engagement shall be as mutually agreed.
- Any increase or decrease to staffing levels will be communicated in writing at least fifteen days (15) prior to the month in which the change shall be effective.

Performance Incentive

NCO will be further compensated based on reaching and/or exceeding agreed upon "Cure Rate" goals outlined below. The incentive compensation will be a % of the base rate billed in the same month for each stage.

Below numbers are a weighted average for a given month:

Bonus based on billed amount for number of reps in each stage	Early 30 Day Evaluation (31-60 DPD)	Primary 60 Day Evaluation (61-120 DPD)	Secondary 60 Day Replacement Evaluation (121-180 DPD)
All*			
Tier 1 = 3%	52.00%	56.00%	16.00%
Tier 2 = 7%	54.00%	58.00%	18.00%
Tier 3 = 13%	56.00%	61.00%	20.00%
Bonus structure	\$12,000 for top agency* (details below)	\$12,000 for top agency* (details below)	\$6,000 for top agency* (details below)

Cash Cure Percentages

NCO is expected to maintain the below percentage of cures attributable to cash resolution (as opposed to MGRS, Forbearance, and the Reduced Payment Program). Falling below this ratio will cause NCO to be ineligible for the "top agency bonus" for the period as well as ineligible for volume increases, both described more fully below.

Early 30 Day Evaluation (31-60 DPD)	Primary 60 Day Evaluation (61-120 DPD)	Secondary 60 Day Replacement Evaluation (121-180 DPD)
72%	70%	60%

- NCO will compete for a “top agency bonus” each month. A weighted average will be compared on the initial 30 day evaluation (31-60 DPD), the 60 day evaluation (61-120 DPD) and the Replacement 60 day evaluation (121-180 DPD). The agency with the best cure rate for each of these evaluations will earn a \$12,000, \$12,000 and \$6,000 “top agency bonus,” respectively.
- NCO cure rates will be measured to two decimal points, and in the event of a tie will revert to the agency with the highest Cash Cure Percentage.
- NCO must achieve a minimum of a Tier 1 performance level to be eligible for the “top agency bonus.”
- NCO must not fall below the targeted Cash Cure Percentage to be eligible for the “top agency bonus.”
- If the top agency falls below the Cash Cure Percentage goal, the next best agency will inherit the “top agency bonus” provided they have not fallen below their Cash Cure Percentage target and have achieved at least Tier 1 performance.

Volume Increase Opportunity

Monthly, 31+ DPD volume may be reallocated as follows:

- NCO will be ranked based on 31+ day evaluations within a given month, and may be given an increase of volume placed at 31+ DPD for the following month based on that rank. Conversely, poorer performing agencies may realize a decrease in volume for the following month based on their rank.
- NCO may not fall below Cash Cure Percentage targets listed above to qualify for any volume increases.
- NCO will be notified of monthly results and how they will impact the FTE counts outlined above.

Post Default Collections (including probate recoveries):

NCO to utilize Default Collectors for all of post default collections prior to litigation.

a. Payments on First Placements

NCO shall receive a fee equal to eighteen percent (18%) of all amounts collected directly from the Borrower(s) on each account.

WHEREAS, the Successor Special Servicer and NCO wish to amend the Agreement to update, expand and confirm the services, including, without limitation, collection and enforcement services, to be provided by NCO thereunder.

WHEREAS, pursuant to that certain Special SubServicing Agreement dated ___, 2012, between the Successor Special Servicer and Turnstile Capital Management, L.L.C. a wholly owned subsidiary of Goal Structured Solutions, Inc. as the Special SubServicer (the "Special SubServicing Agreement") the Successor Special Servicer has appointed Turnstile as its sub-servicer (in such capacity, the "Special SubServicer") for purposes of performing the Special Services required to be performed under the Special Servicing Agreements (other than the Special Services to be performed by NCO under the Agreement);

WHEREAS, as part of the Special Services to be performed by it, the Special SubServicer will be responsible for global portfolio strategy and oversight of NCO's performance under the Agreement as more fully set forth in the Agreement;

2.4 Section 2.1 of the Agreement is amended by:

(a) adding the following sentence to the end of the first paragraph in Section 2.1:

“NCO directly and/or through its Subservicers shall perform the Services in accordance with this Agreement, including, without limitation, the Exhibits attached hereto and incorporated herein by this reference, and in conformity with the terms and conditions set forth in the NCSLT Operating Guidelines attached hereto as Exhibit G (as same may be updated from time to time pursuant to provisions of Section 11.10, the “Operating Guidelines”).”

(b) adding the following new Sections immediately following the end of Section 2.1:

“2.1A Collection Agency Management and Oversight Services. (a) For each ASL subject to this Agreement, NCO shall perform or cause its SubServicers to perform, the Services required for such ASL, in each case, in accordance with

the terms of this Agreement and the Exhibits attached hereto (including, without limitation, the Operating Guidelines). NCO shall supervise, monitor and oversee the obligations of, and performance by, Subservicers retained by it to service and administer the particular ASLs subject to this Agreement with the goal of maximizing the collection of amounts payable on the ASLs. NCO shall oversee and consult with its Subservicers from time-to-time as necessary or desirable to ensure compliance with the terms of this Agreement (including, without limitation, the Exhibits attached hereto). Without limiting the generality of the foregoing, NCO shall take such actions as it deems reasonably necessary or appropriate, but in conformity with the Operating Guidelines and this Agreement, to:

- (i) With respect to Delinquent Loans, transfer all collection activities from the applicable Servicer for a Trust to a Subservicer selected by NCO (which may for the avoidance of doubt, include NCO as subservicer) for the enforcement and collection of such ASLs; provided that NCO shall not be required to transfer such collection activities if GSS Data Services ("GSS") is the Administrator for the Trusts and GSS notifies NCO that it has determined that collections would not be maximized on such Delinquent Loans if the collection activities were transferred to Subservicers;
- (ii) With respect to Defaulted Loans, in its sole discretion, transfer all collection activities to NCO directly or to an OCA, provided that NCO shall not be required to transfer such collection activities if GSS is the Administrator and GSS determines that it is likely that collections would not be maximized on such Defaulted Loans if the collection activities were transferred to NCO or the OCA, as applicable;
- (iii) Replace any Subservicer who is deemed to be deficient or negligent in performing the applicable duties outlined in this Agreement or the related subservicing agreement with NCO;
- (iv) Remit or cause each Subservicer to remit net collections received on Defaulted Loans to the Special Servicer Account;

- (ix) Review claim packages prepared by a Servicer for a Trust with respect to Defaulted Loans to confirm, on the basis of such review, that (a) Servicer

has complied with applicable servicing guidelines and (b) the loan originator has complied with applicable program guidelines and return the claim packages to the Servicers for further collection efforts and/or cure by the Servicers as provided in the applicable servicing guidelines if it detects Servicer error.

(b) NCO shall provide the Collection Agency Management Services in substantially the same manner and of the same quality and standards as it generally performs comparable services for itself and others in accordance with all customary and usual servicing practices and procedures with a view to maximize the value of the ASLs subject to this Agreement and without regard to NCO's right to receive compensation for its services hereunder.

2.1B Record Management, Accounting and Reporting Services. NCO shall perform the following record management and reporting services:

- (i) Establish and maintain a system of record for purposes of monitoring and tracking by Trust any ASL subject to the Agreement and in connection therewith, receive data, reports and other information from the applicable Trust's Servicers and from the Subservicers, including, without limitation, as to payments and other amounts collected with respect to Delinquent Loans and Defaulted Loans and update the system of record to reflect such information and data;

2.1C Global Portfolio Strategy Services. NCO agrees to meet from time to time with Special SubServicer and/or Special Servicer, as applicable, to review strategy with respect to the Student Loan Portfolios subject to this Agreement and performance of the Services and related functions, including, without limitation, the performance and market share of the Subservicers (including without limitation the OCAs), across all segments consistent with the Operating Guidelines. NCO shall perform the Services consistent with the terms of the Agreement and the Operating Guidelines. NCO will have no authority to, and agrees that it will not, make any changes to the procedures and operations set forth in this Agreement and/or the Operating Guidelines without the written consent of the Special Servicer and/or the Special SubServicer pursuant to Section 11.10.”

2.1D Outsourcing. For avoidance of doubt, the Services to be provided by NCO in accordance with Section 2.1A, 2.1B, 2.1C and, except as may otherwise be agreed by the Special SubServicer, 2.1D shall be performed directly by NCO.

2.5 The first paragraph of Section 2.3 and Section 2.3(a) of the Agreement are hereby amended and restated as follows:

NCO shall return the Claims Package to the Servicers for further collection efforts and/or cure by the Servicers as provided in the Servicing Guidelines and Special Servicer’s servicing agreement if it detects Servicer error as prescribed in the Servicing Guidelines.
- (ii) NCO shall reconcile all cash collections with its reported results of operations and transmit all cash receipts (net of the fees set forth on Exhibit H) weekly (or at such other agreed intervals) to Special Servicer. NCO shall provide the Default Collection Reports set forth in Exhibit E. NCO shall assign defaulted ASLs as needed to optimize collection.”

2.6 Section 2.3(b) (iii) of the Agreement is hereby amended and restated as follows:

“(iii) Special Servicer reserves the right to restrict or otherwise limit at any time, from time to time, the manner or means to be used by NCO in collecting any account, which restrictions may be communicated to NCO by Special Servicer orally or in writing, at Special Servicer’s sole discretion. However, for so long as NCO’s collection practices conform to the terms of this Agreement, the Operating Guidelines and applicable law, Special Servicer shall not exercise such right.”

2.7 Section 2.4 of the Agreement is hereby amended by adding the following new clauses (h) and (i) at the end of the second paragraph thereof:

“(h) Notwithstanding anything herein to the contrary, effective as of the date of the Third Amendment, NCO shall administer, manage and oversee collection litigation consistent with the terms of this Agreement, including without limitation, Exhibit D hereto and the Operating Guidelines and, except as contemplated in the Operating Guidelines, no further approval, consent or direction of the Special Servicer shall be required with respect to management of litigation relating to ASLs.

Notwithstanding anything contained herein to the contrary, neither NCO nor any Subservicer shall, without the Special Servicer’s written consent: (i) hire or procure counsel to represent the applicable Trust or Special Servicer without indicating its representative capacity or (ii) prepare, execute or deliver any filings, forms, affidavits, pleading or other documents on behalf of a Trust or the Special Servicer without indicating its representative capacity. “

NCO shall also be responsible for fraud processes as generally described in Exhibit F.

(b) In the event any debtor with respect to an ASL that is the subject of Services is deceased, NCO will accept from the Servicers the documentation

specified under “Death Claim” under the Servicing Guidelines and will collect the ASL. NCO will otherwise perform in accordance with the terms generally identified under the heading ‘Probate Servicing’ under Exhibit F.”

2.9 The fourth sentence of Section 2.6 of the Agreement is hereby amended and restated to read as follows: “NCO will remit on a daily basis (or at different periodic intervals chosen by Special Servicer), by wire transfer to the respective Trusts’ collection accounts (as identified by the Special Servicer to NCO), all funds in the Account representing payments received by NCO for the prior day (or alternative periodic basis chosen by the Special Servicer), except fees owed to NCO for Default Collection Services (which shall be payable to NCO as set forth in Section 2.3(c).”

As part of such agreement, FMER has agreed that the cooperation period

contemplated under the Special Servicing Agreements will continue until November 30, 2012. The parties hereto acknowledges that it is a mutual goal to have a smooth transition and to enable the Successor Special Servicer through NCO and the Special Subservicer to perform all of the Special Services required under the Special Servicing Agreements without any assistance from FMER or the Successor Special Servicer as soon as possible. To this end, NCO agrees to continue to use reasonable efforts to cooperate with FMER, the Special Subservicer and the Successor Special Servicer to effect such transfer as expeditiously as possible. NCO acknowledges that a plan for such transition has been developed, including, without limitation, the Operating Guidelines.

Section I : Market share limitations:

- a. Pre-default: each OCA will have no more than 70% Market Share in a given Segment. Once total staffing levels for pre-default services are <8 FTE in any Segment, the market share limitation shall no longer apply.
- b. Post-default: each OCA will have no more than 70% Market Share in a given Segment. Market share limitations will not apply to loans in the Warehouse Segment or loans in a litigation status.
- c. Segment Generally: As an account moves to different post-default Segments, the OCA responsible for collecting on the account must change. For example, an account placed at an OCA responsible for primary collections could not be placed at the same OCA for secondary collections. This limitation shall not apply to loans which move into the Warehouse Segment or into a litigation status.

Section 2: OCA Performance Measurement:

- a. Pre-default: Each OCA's performance in each Segment will be measured against both the Indexed Cure Rate and Indexed Cash Cure Rate. Should any OCA's cure rate be less than 80% of the Indexed Cure Rate or Indexed Cash Cure Rate for 3 consecutive months, the OCA will be placed on a Performance Progression Plan. If the cure rate does not return to at least 80% of the Indexed Cure Rate within the timeframe established in the Performance Progression Plan, the OCA will be eligible for a market share reduction as described in Section 3 d.

- b. Post-default: Each OCA's performance in each Segment will be measured against the Indexed Liquidation Rate. Should any OCA's Liquidation Rate be less than 80% of the Indexed Liquidation Rate for 3 consecutive months, the OCA will be placed on a Performance Progression Plan. If the Liquidation Rate does not return to at least 80% of the Indexed Liquidation Rate within the timeframe established in the Performance Progression Plan, the OCA will be eligible for a market share reduction as described in Section 3d.
- c. New OCAs: As new OCAs are introduced into a segment there will be insufficient performance data to calculate the metrics used to measure OCA performance. For this reason, OCAs with less than 3 months of pre-default performance history or 6 months of post-default performance history will be excluded from the Indexed Cure Rate. Performance of new OCAs will be included in the Quarterly Business Review.

Section 3: Market share allocation and adjustments:

- a. Initial Period
 - i. All market share allocations, adjustments, and measurements defined herein will not apply to the Initial Period
 - ii. During the Initial Period, Market Share allocated to NCO will not exceed the following limitations:
 - Pre-Default – 35%
 - Post-Default Primary Placement –25% of the current month placements and 12.5% in aggregate
 - Post-Default Secondary Placement –40% of the current month placements and 30% in aggregate
 - Post-Default Tertiary Placements –50% of the current month placements and 40% in aggregate
 - Aggregate Post-Default Market Share – 45%
- b. Minimum Performance Standards – Pre-Default: In order to be eligible for Market Share increases, an OCA working pre-default accounts must maintain the following requirements:
 - Cash Cure Rate – Early must be at least 72%
 - Cash Cure Rate – Primary must be at least 70%
 - Cash Cure Rate - Secondary must be at least 60%
 - Call quality - Calls must both be made in a timely manner and satisfy the Scorecard Requirements.

Failure to meet all minimum thresholds for 3 consecutive months would make the OCA eligible for a market share reduction. Additionally each OCA must perform to the standards established in their contract. Evaluation of OCAs will incorporate operational

feedback from NCO including the timeliness and accuracy of reporting, placement and recall of accounts, and litigation monitoring.

c. Minimum Performance Standards – Post Defaults: In order to be eligible for market share increases, an OCA working post-default accounts must maintain the following requirements:

- Settlement Percentage, Primary - The average rate must be at least 80% with no individual settlements below 65%
- Settlement Percentage, Secondary – The average rate must be at least 65% with no individual settlements below 50%
- Settlement Percentage, Tertiary – The average rate must be at least 55% with no individual settlements below 40%
- Settlement Percentage – Warehouse must be at least 55% with no individual settlements below 45%
- Call quality- Calls must both be provided in a timely manner and satisfy the Scorecard Requirements. 3 consecutive months would make the OCA eligible for a market share reduction.

Failure to meet all minimum thresholds for 3 consecutive months would make the OCA eligible for a market share reduction. Additionally each OCA must perform to the standards established in their contract. Evaluation of OCAs will incorporate operational feedback from NCO including the timeliness and accuracy of reporting, placement and recall of accounts, and litigation monitoring.

d. Market share adjustments:

- i. Up to 10% of market share in any segment can be allocated at NCO's discretion to new OCAs and for testing purposes at any time.
- ii. Any OCA which fails to meet the minimum performance standards defined herein will be eligible for a reduction in Market Share of up to 15%.
- iii. Any OCA which exceeds the performance standards defined herein shall be eligible for an increase in Market Share of up to 15%.
- iv. Upon the creation of a new Segment, the initial allocation to any OCA will not be subject to the limitations in established in Section d ii and iii, provided that the total market share allocated to any OCA does not exceed [70%]. No new Segment shall be created without the consent of all parties to this agreement.
- v. Market share adjustments will generally occur in conjunction with a QBR, however NCO has the right to make market share adjustments at any time if circumstances warrant.

Section 4 - Quarterly Business Review:

Goal will be responsible for scheduling the Quarterly Business Review (QBR) as provided for in the Special Subservicing Agreement. Each QBR will discuss the following items:

- NCO adherence to the Operating Guidelines
- Staffing levels by segment and corresponding ACRs
- SSA reimbursement limits, projections, and staffing changes
- Prior quarter OCA performance and operational changes
 - Hire / fire of OCAs
 - Market Share adjustments
 - Inventory changes
- Portfolio reporting – actual vs. forecast
 - Delinquency rate
 - Forbearance rate
 - Default rate
- Quality and Compliance Report
- Pending legislation (both debtors and others)
- Review of NCO pre and post-default performance (as performing in the OCA capacity)
- Strategy review
- Such other matters designated by Goal or NCO

Section 5 - OCA Management:

- a. NCO will perform a QBR with any OCA who receives >\$125k in quarterly compensation and provide the associated documentation to Goal. For agencies receiving more than \$250k in quarterly revenue, NCO will conduct a site visit at least once per year in conjunction with a regularly scheduled OCA Audit.
- b. Goal will be responsible for monitoring and auditing the performance of NCO in its capacity as an OCA in conjunction with the QBR and as specified in the Special Subservicing Agreement.

Section 6 - OCA Eligibility and Network Design:

NCO will be responsible for the selection of new OCAs for potential inclusion into the NCSLT network design. NCO will perform all necessary due diligence, including a site visit.

Any new OCA must meet the following criteria prior to being added to the OCA network:

- Performed work in either student loan or consumer bank card asset classes within last year
- Actively licensed in all states where they will be performing collections activities.
- Have a recent SAS 70, Type II or equivalent that can be provided; PCI Certification
- Is in good financial standing and is able to provide two years of audited financials
- Pass a basic background check of their company and principals
- FDCPA training program, as well as a dedicated Quality Assurance team that monitors

Any addition of an OCA is subject to the notice and consent requirements established in Section 2.12 of the NCO agreement, it being understood that no consent will be unreasonably withheld so long as the above criteria have been met.

Section 7 - Updates and Revisions to the Operating Guidelines

Any proposed changes or revisions to the Operating Guidelines will be discussed during a Quarterly Business Review. Changes to the Operating Guidelines will be effective with the written consent of NCO, Goal, and U.S. Bank.

EXHIBIT H
TO DEFAULT PREVENTION AND COLLECTION SERVICES AGREEMENT
FEES

Default Prevention:

For loans that roll at 31+ days from servicer to NCO Default Prevention Collectors and to be managed up until 180 days past due or lender mandated charge off date, including loans in Claims Review:

Pricing

\$5,000.00 per month for each pre-approved NCO FTE. An "FTE" is the equivalent of 147 production hours in a month.

Initial Staffing Ratios

- The number of FTEs dedicated by NCO for this engagement shall be as mutually agreed.
- Any increase or decrease to staffing levels will be communicated in writing at least fifteen days (15) prior to the month in which the change shall be effective.

Performance Incentive

NCO will be further compensated based on reaching and/or exceeding agreed upon "Cure Rate" goals outlined below. The incentive compensation will be a % of the base rate billed in the same month for each stage.

Below numbers are a weighted average for a given month:

Bonus based on billed amount for number of reps in each stage	Early 30 Day Evaluation (31-60 DPD)	Primary 60 Day Evaluation (61-120 DPD)	Secondary 60 Day Replacement Evaluation (121-180 DPD)
All*			
Tier 1 = 3%	52.00%	56.00%	16.00%
Tier 2 = 7%	54.00%	58.00%	18.00%
Tier 3 = 13%	56.00%	61.00%	20.00%
Bonus structure	\$12,000 for top agency* (details below)	\$12,000 for top agency* (details below)	\$6,000 for top agency* (details below)

Cash Cure Percentages

NCO is expected to maintain the below percentage of cures attributable to cash resolution (as opposed to MGRS, Forbearance, and the Reduced Payment Program). Falling below this ratio will cause NCO to be ineligible for the “top agency bonus” for the period as well as ineligible for volume increases, both described more fully below.

Early 30 Day Evaluation (31-60 DPD)	Primary 60 Day Evaluation (61-120 DPD)	Secondary 60 Day Replacement Evaluation (121-180 DPD)
72%	70%	60%

- NCO will compete for a “top agency bonus” each month. A weighted average will be compared on the initial 30 day evaluation (31-60 DPD), the 60 day evaluation (61-120 DPD) and the Replacement 60 day evaluation (121-180 DPD). The agency with the best cure rate for each of these evaluations will earn a \$12,000, \$12,000 and \$6,000 “top agency bonus,” respectively.
- NCO cure rates will be measured to two decimal points, and in the event of a tie will revert to the agency with the highest Cash Cure Percentage.
- NCO must achieve a minimum of a Tier 1 performance level to be eligible for the “top agency bonus.”
- NCO must not fall below the targeted Cash Cure Percentage to be eligible for the “top agency bonus.”
- If the top agency falls below the Cash Cure Percentage goal, the next best agency will inherit the “top agency bonus” provided they have not fallen below their Cash Cure Percentage target and have achieved at least Tier 1 performance.

Volume Increase Opportunity

Monthly, 31+ DPD volume may be reallocated as follows:

- NCO will be ranked based on 31+ day evaluations within a given month, and may be given an increase of volume placed at 31+ DPD for the following month based on that rank. Conversely, poorer performing agencies may realize a decrease in volume for the following month based on their rank.
- NCO may not fall below Cash Cure Percentage targets listed above to qualify for any volume increases.
- NCO will be notified of monthly results and how they will impact the FTE counts outlined above.

Post Default Collections (including probate recoveries):

NCO to utilize Default Collectors for all of post default collections prior to litigation.

- a. Payments on First Placements
NCO shall receive a fee equal to twenty percent (20%) of all amounts collected directly from the Borrower(s) on each account.
- b. Payments on Second Placements
NCO shall receive a fee equal to twenty-nine percent (29%) of all amounts collected directly from the Borrower(s) on each account.
- c. Payments on Third Placements
NCO shall receive a fee equal to thirty-three (33%) of all amounts collected directly from the Borrower(s) on each account.
- d. Accounts in Litigation
Amounts collected on accounts referred by NCO to an attorney for formal legal proceedings will be deposited into the account, and NCO will be entitled to a fee on any such amount equal to thirty percent (30%) of all amounts collected by the attorney from the borrower.
- e. Warehouse Placements.
NCO shall receive a fee equal to forty percent (40%) of all amounts collected directly from Borrowers on each account.

Additionally each OCA must perform to the standards established in their contract. Evaluation of OCAs will incorporate operational feedback from NCO including the timeliness and accuracy of reporting, placement and recall of accounts, and litigation monitoring.

Cash Cure Percentages

NCO is expected to maintain the below percentage of cures attributable to cash resolution (as opposed to MGRS, Forbearance, and the Reduced Payment Program). Falling below this ratio will cause NCO to be ineligible for the "top agency bonus" for the period as well as ineligible for volume increases, both described more fully below.

Early 30 Day Evaluation (31-60 DPD)	Primary 60 Day Evaluation (61-120 DPD)	Secondary 60 Day Replacement Evaluation (121-180 DPD)
72%	70%	60%

- NCO will compete for a "top agency bonus" each month. A weighted average will be compared on the initial 30 day evaluation (31-60 DPD), the 60 day evaluation (61-120 DPD) and the Replacement 60 day evaluation (121-180 DPD). The agency with the best cure rate for each of these evaluations will earn a \$12,000, \$12,000 and \$6,000 "top agency bonus," respectively.
- NCO cure rates will be measured to two decimal points, and in the event of a tie will revert to the agency with the highest Cash Cure Percentage.
- NCO must achieve a minimum of a Tier 1 performance level to be eligible for the "top agency bonus."
- NCO must not fall below the targeted Cash Cure Percentage to be eligible for the "top agency bonus."
- If the top agency falls below the Cash Cure Percentage goal, the next best agency will inherit the "top agency bonus" provided they have not fallen below their Cash Cure Percentage target and have achieved at least Tier 1 performance.

Volume Increase Opportunity

Monthly, 31+ DPD volume may be reallocated as follows:

- NCO will be ranked based on 31+ day evaluations within a given month, and may be given an increase of volume placed at 31+ DPD for the following month based on that rank. Conversely, poorer performing agencies may realize a decrease in volume for the following month based on their rank.
- NCO may not fall below Cash Cure Percentage targets listed above to qualify for any volume increases.
- NCO will be notified of monthly results and how they will impact the FTE counts outlined above.

Post Default Collections (including probate recoveries):

NCO to utilize Default Collectors for all of post default collections prior to litigation.
